

Astron solutions
for car dealerships

Astron is the leading European supplier of steel building solutions.

Astron designs and produces all the main components of a steel building - the primary and secondary structures, the roof and wall systems, accessories and thermal insulation systems.

In more than 50 countries pre-engineered industrial building solutions are offered for many different purposes like storage, production, offices or other usages.

Advantages

Astron is Europe's largest manufacturer of steel buildings, primarily for industrial and commercial use.
