of industrial buildings  
are made of steel

**50+**  
**YEARS**

metal roof lifespan

A large, modern industrial building with red corrugated metal siding. The building has a long, low profile with a series of loading docks on the right side. A white semi-truck is parked at one of the docks. In front of the building, there is a blue container and a white car. The sky is blue with scattered white clouds. A blue circular graphic in the bottom left corner contains the text '6-8 WEEKS production time'.
